To Whom It May Concern,

This letter is a request for review and an appeal to an Administrator's Decision on Appeal – Funding Year 2005-2006 from USAC dated August 31, 2005 (Enclosure 1). Reference CC Docket No. 02-6.

Re: Form 471 Application Number: 471774
Funding Year 2005: 0701/2005 – 06/30/2006
Billed Entity Number: 142904
Billed Entity FCC RN: 11824166
Applicant's Form Identifier: Maintenance – 06
Funding Request Number: 1299689
Form 470 Application Number: 986790000
SPIN: 143005231

We have been informed that our Letter of Appeal dated July 5, 2005 (Enclosure 2) to the USAC SLD has been denied. The 470 Application was denied based upon the fact that our 470 form indicated that the services requested in Block 2 Para 10 were Internet Access instead of Internal Connections. The following is submitted for your consideration in this request for review:

*Learning today
for a new tomorrow.*

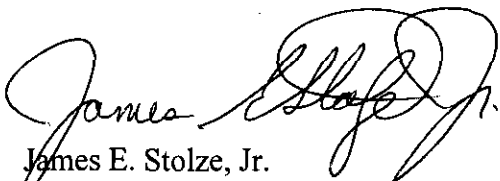

No. of Copies rec'd 0
List A B C D E

1. The Internet Access box was inadvertently checked instead of the Internal connections in Block 2, Para 10.
2. In Block 2, Para 9, directly above Para 10, services requested were for "Annual Maintenance Contract on all eligible equipment" and the eligible equipment of "9 Cisco 6000, 82 Cisco 4000 and 6 Cisco 3500" were given.
3. The External Programs Coordinator (Carmen Meza) who filled out the 470 form, received a phone call approx. 4 weeks after submittal, from the 470 Reviewer. He had noticed the disparity between Para's 9 and 10. During that conversation, Ms. Meza asked what we needed to do to correct the problem, and was told by the Reviewer that he would change it and that it required no further submissions or changes on our part.
4. On the 471 Application (471774) (Enclosure 3), in block 5 Para 11, the Category of Service is correctly listed as Basic Maintenance of Internal Connections.
5. In the Appeal Guidelines there are four circumstances when appeals can be granted by USAC, assuming there are no other issues identified during review. Note #2 states "When the appeal makes clear that the applicant made a mistake in information provided in or with the application leading to funding denial and that the SLD could have identified the mistake from information provided with the application."
6. The Administrator's Decision on Appeal – Funding Year 2005-2006 Denial letter denies the appeal based upon the competitive bidding process but does not address the appeal point referenced in our appeal letter and above in item 5.

As you can see from the above notes, our 470 Application did have a mistake in selecting the Internet Access box, which was discovered by the Review process at USAC SLD. Following direction given by the USAC SLD Processor/Reviewer, we continued the E-rate process submitting the 471 with the correct information in Block 5. During the 471 Application process, we were not contacted or informed of any conflict between our 470 and 471, which supported our belief that the 470 had been corrected by the Reviewer as communicated. Based upon the Appeal Guidelines, this fully meets the criteria stated in item 5 above. This mistake was identified by the USAC SLD and could have been corrected. Based upon these facts, we are submitting this Request for Review and Appeal.

We thank you for your continued support, patience and cooperation during this process.

Sincerely,

Re: Applicant Name: CREIGHTON ELEM SCH DISTRICT 14
Billed Entity Number: 142904
Form 471 Application Number: 471774
Funding Request Number(s): 1299689
Your Correspondence Dated: July 05, 2005

After thorough review and investigation of all relevant facts, the Schools and Libraries Division (SLD) of the Universal Service Administrative Company (USAC) has made its decision in regard to your appeal of SLD's Funding Year 2005 Funding Commitment Decision Letter for the Application Number indicated above. This letter explains the basis of SLD's decision. The date of this letter begins the 60-day time period for appealing this decision to the Federal Communications Commission (FCC). If your Letter of Appeal included more than one Application Number, please note that you will receive a separate letter for each application.

Funding Request Number(s): 1299689
Decision on Appeal: **Denied**
Explanation:

- On your appeal for Creighton School District, you stated the Internet Access box was inadvertently checked instead of Internal Connections. You are requesting reconsideration of SLD's decision to deny the funding request because the incorrect service category was posted in error.
- Upon review of the appeal letter and relevant supporting documentation, it was determined you mistakenly posted for Internet Access instead of Internal Connections. Although you stated a mistake was made, program guidelines do not permit changes to this form due to data entry errors committed by the applicant. Consequently, SLD supports the initial PIA decision.

- On your Form 471 you indicated that Form 470 application #986790000534103 is the establishing Form 470 for the services requested. This Form 470 does not include the category of service requested on the funding request, which is a violation of the competitive bidding requirements of the support mechanism. Therefore, your appeal is denied.
- FCC rules require that all products and services for which an applicant requests discounts on an FCC Form 471 must be competitively bid on an FCC Form 470. The Form 470 must include a complete description of the services for which discounts are sought, be posted on the web site for 28 days, and applicants must carefully consider all bids received before selecting a vendor, entering into an agreement or signing a contract, and signing and submitting a Form 471. 47 C.F.R. §§ 54.504, 54.511(a) and (c). These competitive bidding requirements help to ensure that applicants receive the lowest pre-discount price from vendors. See Federal-State Joint Board on Universal Service, CC Docket No. 96-45, Order on Reconsideration, 12 FCC Rcd. 10095, FCC 97-246, p. 10098 ¶ 9 (rel. Jul. 10, 1997). The only exceptions to the posting requirement are for: (1) contracts signed on or before July 10, 1997 for the life of the contract; and (2) contracts signed between July 10, 1997 and before January 30, 1998 (the date on which the web site became operational) for products and/or services provided through June 30, 1999. 47 C.F.R. § 54.511(c) and (d).

If your appeal has been approved, but funding has been reduced or denied, you may appeal these decisions to either the SLD or the FCC. For appeals that have been denied in full, partially approved, dismissed, or canceled, you may file an appeal with the FCC. You should refer to CC Docket No. 02-6 on the first page of your appeal to the FCC. Your appeal must be received or postmarked within 60 days of the date on this letter. Failure to meet this requirement will result in automatic dismissal of your appeal. If you are submitting your appeal via United States Postal Service, send to: FCC, Office of the Secretary, 445 12th Street SW, Washington, DC 20554. Further information and options for filing an appeal directly with the FCC can be found in the "Appeals Procedure" posted in the Reference Area of the SLD web site or by contacting the Client Service Bureau. We strongly recommend that you use the electronic filing options.

We thank you for your continued support, patience and cooperation during the appeal process.

To Whom It May Concern:

This letter is an appeal to a Funding Commitment Decision Letter dated June 27, 2005.

Re: Form 471 Application Number; 471774
Funding Year 2005: 07/01/2005 – 06/30/2006

Form 470 Application Number: 986790000

We have been informed that the above request for funding has been denied. I contacted USAC today and spoke with Sherry and she gave me the following reference number: 21276989. Sherry informed me that the reason for denial is that our 470 form indicated that the services requested in Block 2 were Internet Access instead of Internal Connections. The following is submitted for your consideration of our appeal.

*Learning today
for a new tomorrow.*

- The Internet Access box was inadvertently checked instead of the *Internal Connections*.
- I received a phone call in late January or early February informing me of this error, at that time I informed them that it should be Internal Connections and was informed by a USAC representative that they would make the change. I asked if there was a need for me to submit another 470 form and was told no. The representative assured me that they would take care of the change. I made a note on my copy of the application that changes would be made and assumed that the change had been made.
- Please see our 471 application number 471774, where I have listed in Block 5 #11 that the Category of Service is Basic Maintenance of Internal Connections.
- In your appeals guidelines there are four circumstances when appeals can be granted by USAC, assuming there are no other issues identified during review. Please take note of #2, it states that when the appeal makes clear that the applicant made a mistake in information provided in or with the application leading to funding denial and that, the SLD could have identified the mistake from information provided with the application. When I submitted our 471 I indicated that it was for internal connections on the application and attached the agreement, which describes the services requested. Subsequent to submitting the 471, we were not contacted and informed of a conflict between our 470 and 471, which led me to believe that the changes had been made.

At this time, I would like to ask for reconsideration on our funding for this application. If you have any questions or need additional information, I can be reached at (602) 381-6000 Ext. 40257. I will be on vacation from July 8-18th if you need to speak to someone in my absence please contact Ed Stolze at (602) 381-6000 Ext. 40247 or e-mail ed_stolze@creighton.k12.az.us and he can assist you. Thank you for your time and assistance.

Sincerely,

35. ☒ I certify that if any of the Funding Requests on this Form 471 are for discounts for products or services that contain both eligible and ineligible components, that I have allocated the cost of the contract to eligible and ineligible companies as required by the Commission's rules at 47 C.F.R. 36. ☒ I certify that this funding request does not constitute a request for internal connections services, except basic maintenance services, in violation of the Commission requirement that eligible entities are not eligible for such support more than twice every five funding years beginning with Funding Year 2005 as required by the Commission's rules at 47 C.F.R. Sec. 54.506(c).
37. ☒ I certify that the non-discounted portion of the costs for eligible services will not be paid by the service provider.
